

## **Appendix to Rule 1.4**

### **List of approved generators**

In accordance with Rule 1.4, the generators listed below are approved for use at the Club site.

Those using generators should position them close to the hedge a good distance from the patio area, eg at the end of the hard standing. The noisiest side (typically the exhaust side) should face the hedge.

Honda EX650

Honda U10i

Yamaha EF1000i

KIPOR IG2000 Sinemaster

Revised 30<sup>th</sup> September 2022
